

# NUKARA MUSIC FESTIVAL

The Nukara Music Festival takes place in a natural amphitheatre setting surrounded by towering River Red Gums.

Nukara comes alive in March every year with the festival attracting local and international blues, roots and folk artists.

Venue Hire Facility

# Nestled amongst the gum trees, in the scenic Chapman Valley you will find **NUKARA**

Originally a working farm, Nukara has harnessed the beauty and tranquillity of the natural landscape to develop into a sought after venue for weddings, corporate events & private functions.

From the moment you enter the tree-lined driveway, Nukara feels like an escape. Unique, rustic and beautiful, Nukara is a venue with its own atmosphere. Combining the natural bush setting with environmentally friendly amenities, Nukara is much more than a venue, it provides visitors with a unique experience to remember.

A relaxing and scenic 20 minute drive from Geraldton, 4.5 hours north of Perth, our eco-retreat, complete with camping ground is perfect for a diverse range of group booking events. These include weddings, corporate functions, music festivals, live entertainment or any special occasion you want to celebrate. We pride ourselves on tailoring all that Nukara offers into an event to suit you.

Our relaxed bush setting has been enhanced with unique infrastructure, constructed predominantly with recycled materials that blend in and flow with the natural surrounds. Unique in design, all of the facilities at Nukara have been developed to provide a rustic, environmentally friendly and beautiful atmosphere.

## Weddings

Turn your wedding dreams into a reality in our beautiful bush setting. Book now to avoid disappointment.

## Corporate

Escape the bricks and mortar and enjoy the fresh air and creativity of the bush environment

The layout of our property allows us to cater for large or small groups, exclusively or simultaneously. Visitors to Nukara can enjoy their event in peace and privacy without the common distractions of neighbours, closing times and noise restrictions, and there is ample room for camping.
